## 2009 U.S. Staff Conference

Campus Crusade for Christ's U.S. Staff Conference was a great blessing to the two of us. We enjoyed some excellent teaching and encouraging fellowship with over 5000 staff from FamilyLife and many of the other Campus Crusade for Christ ministries. We learned more about ministries like Student Venture, Impact, Global Aid Network, Josh McDowell Ministry, Global Media Outreach, and StoryRunners. StoryRunners is an exciting ministry that is finding new ways to communicate the Gospel. Because so much of the world's population prefers to get information in a non-literate (oral) form, StoryRunners produces Bible stories that are used for evangelism, discipleship, and multiplying churches.

At the conference, we also heard from Dennis Rainey, the president of FamilyLife. He talked about FamilyLife's efforts to work with other ministries, and about some exciting projects that will make FamilyLife's resources more accessible. He also talked about a young child who shared his hurt and frustration over his parents' divorce, and how important our work is to the families and children of this nation. We need to reach them with the truth of God's word, *right now*.

## Family Road Trip

The Corbin family is planning a road trip for mid-September. We have several ministry partners and many potential partners in Texas, Oklahoma, and Arkansas. We've decided to spend a few weeks in these states meeting with families and asking them to support God's work through FamilyLife. We plan to return to Florida around the middle of October.

Please pray that God will orchestrate the very tight schedule of this trip as we make appointments with potential partners. Pray that we will find many more families who are willing to answer God's call.

## Please Pray...

- FamilyLife - for the upcoming Fall conferences - that God will use families to reach the nation.
- Potential Ministry Partners - that God will continue to give us many more people to talk to as we work to complete our initial support development.

- Michael - for clear direction from the Holy Spirit; energy and focus for our upcoming trip.
- Alecia - for continued strength and energy as she manages our household, home schools, and helps with support development.
- Gabriel & Naomi - for enthusiasm for the start of school and patience for our AR move.

- Corbin Family - safe and productive support trip to Texas, Oklahoma, and Arkansas.

*Tell us your needs and how we should pray!*
