Keeping you connected as we serve with FamilyLife

NOV 2009

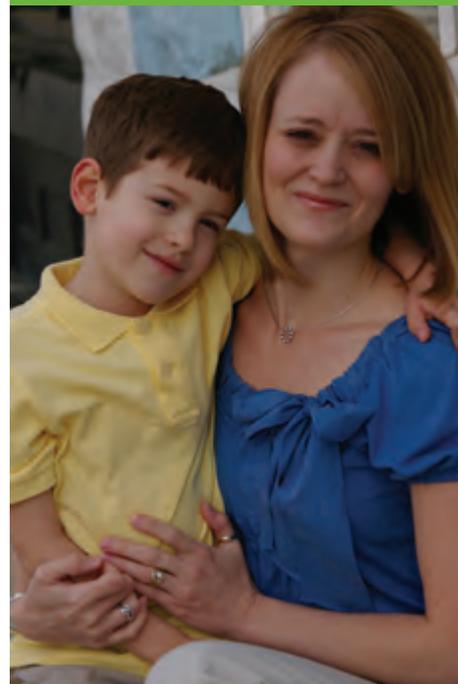

Thank You

God has given us so much to be thankful for. Without a doubt, we are most thankful for our relationship with Him, our Creator. We are thankful for our family, our friends, and you! We are also thankful for the calling God has placed on our family. The past year has been an incredible journey as we experience God's grace and provision. We want to share some of the highlights of this year:

- After breaking his leg last Christmas, God brought us through two successful surgeries, and Michael is now fully recovered.
- Gabriel turned six in January, and received a clean bill of health on his left eye (after scaring us with the possibility of a tumor, his doctor assured us it was iris sector hypo-pigmentation). He is excelling in school and is now riding his bike without training wheels!
- In May, we put everything in storage and moved to Florida. We are so thankful for the peace God has given our children.
- FamilyLife celebrated a couple of milestones: 70,000 people came to our Weekend to Remember events last year and we went over the 2,000,000 mark in total attendance since 1976.
- After commuting back and forth to Atlanta, Michael said "Goodbye" to Sign Pros in July. We were saddened, yet so thankful for the God-given relationships that we still enjoy.
- In July, we took part in the Campus Crusade for Christ 2009 U.S. Staff Conference in Fort Collins, Colorado. We got to learn about numerous other ministries of Campus Crusade with about 5000 other missionaries.
- Over 9 million people listen to FamilyLife's radio broadcasts every week.
- In September and October, we had a safe, productive, five-week support trip. God blessed our efforts with housing, transportation, and an additional 18% of our support.

- Naomi turned four last month! She is healthy, smart, and loves to sing and dance. She definitely keeps us on our toes.
- God continues to use the Weekend to Remember as a tool for spreading the Gospel. Last weekend, nearly 11% of conference attendees came to Christ! There have been 513 salvations so far this season!
- We are very close to completing our initial support goal. Thank you for answering God's call!
- God has provided us with a home in Little Rock and a moving date. Our last Sunday in Marianna will be December 20th. We will move into our house shortly after Christmas.

Thank you so much for allowing us to share our ministry with you. We truly cherish your prayers, friendships, investments, and encouragement. We thank God for every one of you, and look forward to the future with great anticipation!

Happy Thanksgiving!

Every time I think of you, I give thanks to my God. I always pray for you, and I make my requests with a heart full of joy because you have been my partners in spreading the Good News about Christ from the time you first heard it until now. And I am sure that God, who began the good work within you, will continue his work until it is finally finished on that day when Christ Jesus comes back again.

Please Pray...

- FamilyLife - for the remaining Fall conferences - that God will continue to grow His kingdom, strengthen families, and restore marriages.
- Corbin Family - for strength to run the race with endurance.

Hebrews 12:1

- Potential Ministry Partners - that God will lead us to the additional people that He is calling to our team.
- A second vehicle - we will not be able to remain a one car family in Little Rock.

Tell us your needs and how we should pray!
