## Conference Highlights

We continue to be amazed by our God! He is using the Weekend to Remember Conferences to heal broken marriages, strengthen Christian families, and save the lost. So far this spring, 20,344 people have attended the marriage conferences with over 1300 giving their lives to Christ. Here are a few of the testimonies:

*"We had divorce papers and lawyers, now we have recommitted ourselves to each other and will work together for oneness. The divorce is off!" -Cleveland, OH*

*"As a Pre-married it got me to see how far a drift I had come from the principles of the Bible, and slowly had been influenced by the world. Put me back on track. Thank you." -Sunriver, OR*

*"Wow! We were ready to call lawyers. Our pastor paid our way - a last chance. God spoke to both of us from the first hour - loudly and forcefully. Freedom has come in various areas and bondage has been broken." -Omaha, NE*
