Ministry Update

The past few months have been very busy for us at FamilyLife. We began the spring season of Weekend to Remember getaways, launched The Art of Marriage through over 600 events in all 50 states and several countries, and hosted our first ever Love Like You Mean It marriage cruise. On Valentines weekend alone, thirty to forty thousand families were impacted for eternity. God is moving.

Alecia has quickly begun her work to revamp the FamilyLife childcare ministry. Her current job includes getting all of the childcare workers up to Campus Crusade standards for background screenings, references, and training.

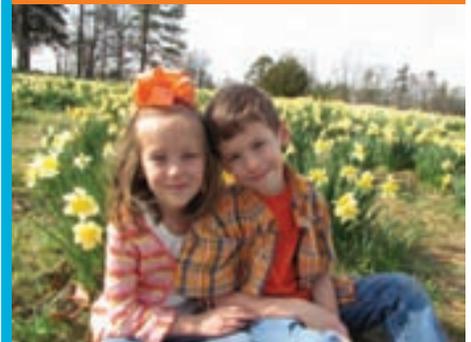

Since completing The Art of Marriage website, Michael has been hard at work on FamilyLife's new mobile site. Designed for smartphones and similar devices, the website (m.familylife.com) allows individuals to quickly and easily find a Weekend to Remember getaway (and directions to the hotel), listen to a FamilyLife radio broadcast, or read a current article or devotional.

Please continue to pray for our ministry, especially that God would open the hearts and minds of those we encounter and make them receptive to His message of hope and healing.

Family Update *The Corbin family has been busy, too!*

- Gabriel turned 8 and completed SEEK, an outdoor science program for home school kids hosted by the 4H Center.
- A two week trip to Florida to help raise support concluded with Alecia leading a few seminars at a Christian Education conference.
- Michael completed his first FamilyLife IBS course (Institute of Biblical Studies), part of our requirements for ongoing training.
- Naomi has started reading! Our practice of spelling words to avoid child inquiries is quickly drawing to an end.
- Gabriel was just awarded his Wolf rank at his first Cub Scout Blue & Gold Banquet.

Answered Prayer

Just days before we left to go on our Christmas trip, God provided us with a vehicle. It is a '99 Suburban, and special gifts from many partners enabled us to pay cash for it! Praise the Lord! We are so thankful to have a vehicle that will hold our entire family and is able to handle the extra stuff that trips require (especially trips with babies). If you were a part of helping with this need....*THANK YOU!!*

Please Pray...

Our Ministry - that God will continue to lead and direct us in every area of ministry, particularly his provision. We've lost a significant amount of monthly support over the past several months. We are still debt free (*praise the Lord*), but need to find additional support in order to continue meeting our monthly needs.

Alecia - for energy and focus as she prepares to finish the school year with Gabriel and Naomi. Discernment and wisdom as she works with the many people associated with the care of the twins, and for continued peace over the future of the twins.

Gabriel - For focus and peace. Various foods seem to affect him in areas of attention and anxiety. Gabriel is very pleased with his new "healthy" diet, but he prefers to feel "regular."

Naomi - For patience - she is anxious to finish Kindergarten!

Muffin Twins - Please pray for their protection and future. Also, pray for wisdom for all parties involved with their care (case worker, attorneys, judge).

Do you have prayer needs? We would be honored to join you in praying for them. Please contact us at ministry@corbinlife.com or call or text us at 678-360-9591.
