New Addition

On Friday, September 30th, we received an email from the ministry that helped us get started in foster care. They were trying to find a home for a 13 year old boy who had been assaulted while in a shelter. He had been removed from his home a few weeks prior, but because of the shortage of foster homes was placed in a temporary shelter. We had no plans to receive a child of that age. Yet God spoke to us as our family prayed for him, and we replied that we would take him if no one else could. To make a long story short, Michael picked him up from the hospital late that evening. He is a good kid, and has been a blessing to our home. Please pray for "B13" and his parents during this tough time of adjustment.

Please Pray

FamilyLife - that God continues to bless the Weekend to Remember events. We are ahead of our fall attendance goals and have seen more than 500 people receive Christ as savior! Glory to God!

Michael & Alecia - for increased wisdom and energy as we balance marriage, parenting, ministry, and foster care.

Gabriel & Naomi - for God's help to focus on their school work and patience as they share Daddy and Mommy with B13 and the Twins.

B13 - that God would secure his future and give clarity to those making decisions on his behalf.

Muffin Twins - for God's continued favor as they grow and develop and learn to communicate. They also have a hearing on December 6th at which the state will terminate the mother's parental rights. Please pray that God will direct the proceedings and give wisdom to those involved.
