Time to STEP UP

We have just completed the new *Stepping Up Video Series*, a ten session, DVD-based resource designed to encourage men to step up as godly husbands and fathers. While in Florida for a two-week support trip, Michael showed the trailer (preview) to almost everyone he visited. Reactions ranged from “Wow” to “We’ve got to do this!” Like *The Art of Marriage*, the *Stepping Up Video Series* is designed to be layperson-led, and features dramatic stories, real-life testimonies, humorous vignettes, and some cutting edge cinematography. Dennis Rainey, Matt Chandler, Bill Bennett, Tony Dungy, Crawford Loritts, and many others lend their expertise to help illustrate what it means to be a godly, courageous man in today’s world. The videos are accompanied by small-group discussion and individual exercises to help teach men to be heroes in their families and communities. The *Stepping Up Video Series* is a small group study and is available for order now.

A CALL TO COURAGEOUS MANHOOD

VIDEO EVENT

In November, FamilyLife will finish the next phase of our call to courageous manhood, the *Stepping Up Video Event*. To launch the video event, we aim to have 1,500 churches across America host a *Stepping Up Super Saturday Event* the Saturday before the Super Bowl®. Some of our own church partners have already agreed to host an event! We believe this one life-changing day could turn the tide for men in our country. Please pray with us!

First... Birthday Party

We've previously referred to our foster son as B13 since, as a foster child, we must protect his identity. However, we are now in the process of adopting him, and can at least share his new name, Truett. While we were all in Florida this past July, lots of family came to celebrate Truett's 14th birthday. Complete with cake, presents, a pinata, and water balloons, it was his very first *birthday party!*

Please Pray for...

FamilyLife - effective marketing of the Stepping Up Video Series
- continued growth in China and Latin America

Michael - greater response from those he asks to join our support team
- health and safety as he travels

Alecia - stamina and peace as she keeps everything and everyone running at home

Truett, Gabriel, &
Naomi - school has begun!

AnaMarie & Angelica - second birthday is in September!

*Little children, let us not love in word or talk
but in deed and in truth. 1 John 3:18*

We are praying for you daily! Let us know if we can pray for a specific need on your behalf.
